

# Life cycle Stag beetle

Adults

Habitat

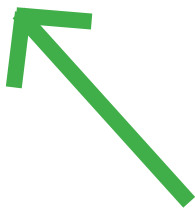

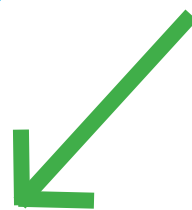

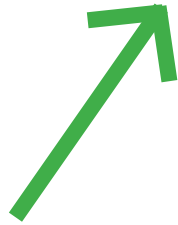

Egg

Larva

Pupae

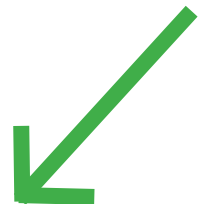

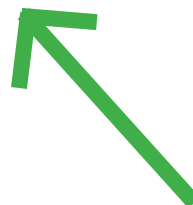

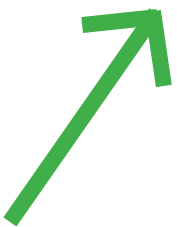

**Pupae**

**Larva**

**Egg**

**Adults**

**Habitat**

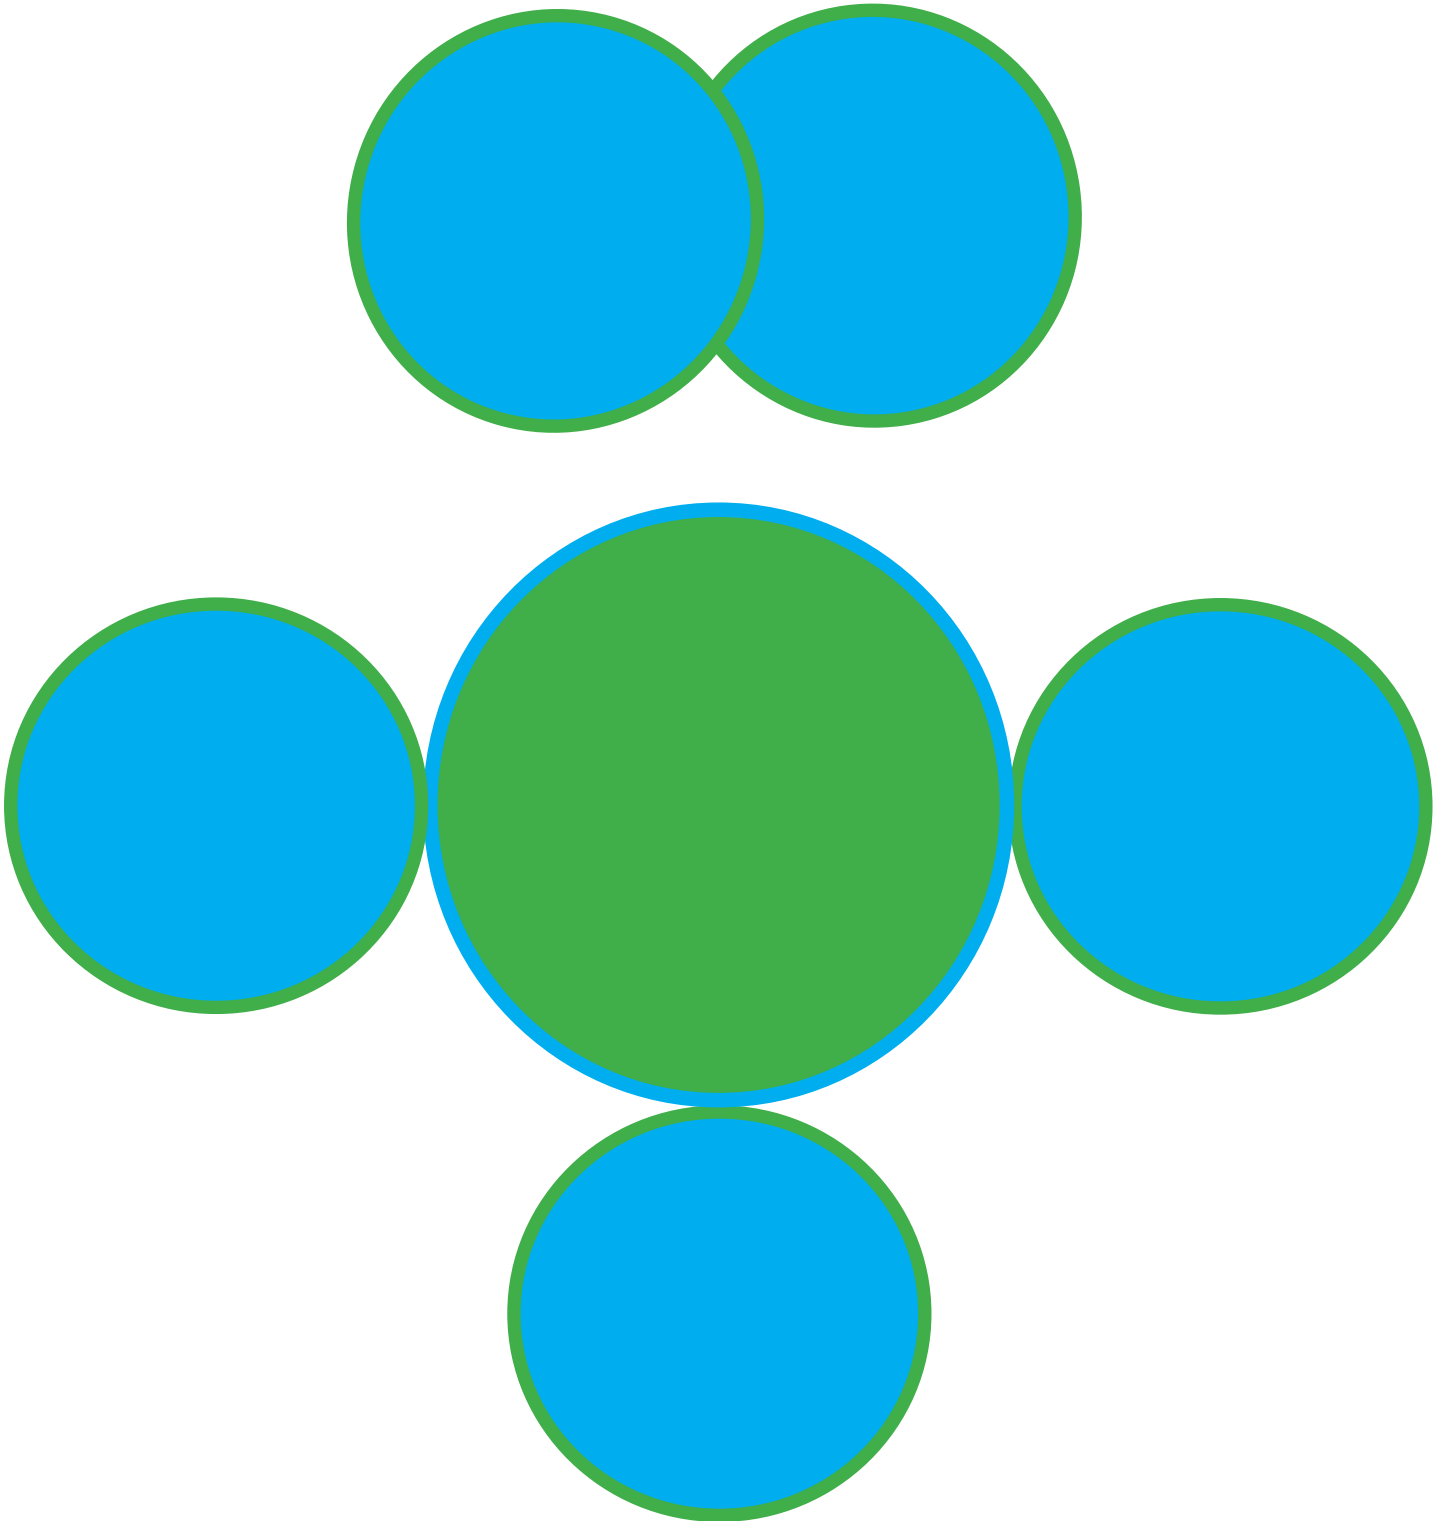

**Cut out the images, labels and arrows above and place them correctly on the diagram. For extra marks:**

**Do you know how long each stage of the life cycle takes?**

**What other animals have a similar life cycle?**

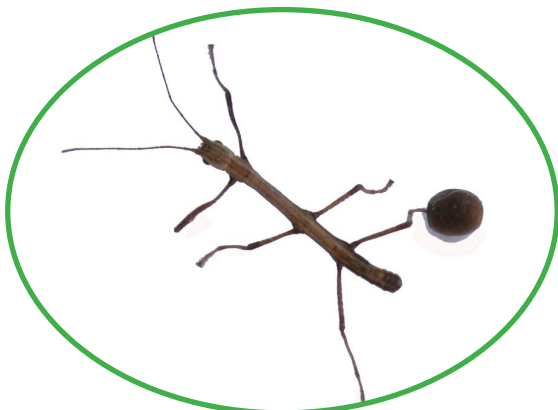

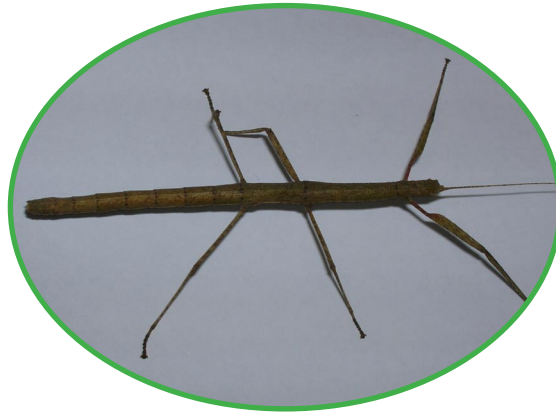

# Life cycle

## Stag beetle

# Life cycle Stick Insect

Adult

Nymph

Eggs

# Life cycle

## Comma butterfly
