

Spring Blossoms Day

Wed 26th April

Come along to the Spring Blossoms celebration as part of Earth Month and join in with various activities while learning more about how you can get involved with the PCA Environment Team.

Seed planting | Digging | Chalk drawing | Litter Picking | Weeding

We have a vision of being able to use the allotment as part of Forest School and maybe even gardening clubs. But we really need parent volunteers to make this a reality.

Bring a picnic or snacks to share!

Orchard & Allotment located on the land opposite the Reception / Y1 gate.
